

Lab 3 Component Modelling and Architectural Pattern Selection

Local Sports Tournament and Bracket Manager | Problem Statement 54

Guntupalli Manaswi | PES1UG24CS548 | Semester 5 | Section I

Director score confirmation flow

1 Request: Web Interface -> Access Control

4 Advance bracket: Score -> Tournament

7 Commit and respond: return to Web Interface

2 Authenticate and authorize: Access Control

5 Persist: business -> Persistence -> Database

Arrowheads beside markers show direction; response uses the same IPortalAPI connector.

3 Validate and update score: Access -> Score

6 Write audit entry: Access Control -> Audit Log
